Dear ⁽⁸⁾ Shri Mehta

Many thanks for your letter of June 12, 2000. I had received some of the recent pamphlets published by your Society. I very much appreciate your contribution to WTO related issues. I sincerely request to you for continued interest in this very important subject. I need hardly reiterate that your efforts are complimentary to the responsibilities being discharged by Trade Policy Division in the Department of Commerce. I would be happy to interact with you during your visit to Delhi.

With regards,

Yours sincerely,

(Nripendra Misra)
